

20<sup>th</sup> December 2023

Dear Parents and Carers,

As we near the end of this term, I wanted to extend my heartfelt gratitude for your unwavering support. This term has been a testament to the incredible achievements and growth of our school community.

Academically, we've witnessed remarkable strides. Your children have displayed exceptional dedication, resulting in impressive achievements across various subjects. It's been a pleasure to watch their enthusiasm for learning flourish.

Our commitment to holistic development has seen the introduction of exciting new sports opportunities. Through these, students have not only honed their athletic abilities but also learned invaluable lessons about teamwork, resilience, and sportsmanship.

The array of clubs and activities has been a vibrant tapestry enriching your children's experiences. From languages and sports to music and literature, our diverse clubs have provided avenues for exploration and self-expression.

Working closely with the community has been integral to our ethos, and this term, we've fostered stronger bonds that have enriched the learning environment for all. The establishment of our wellbeing hub has helped us develop our commitment to nurturing not just academic success, but the overall wellness of every child.

Trips and visits have opened new horizons, offering real-world experiences that complement classroom learning. Despite the challenging times, we've embraced these opportunities and grown stronger as a community.

As we look ahead to the next term, excitement abounds. We are eager to build upon the successes of this term, to explore new avenues for growth, and to continue nurturing the incredible potential within each student.

Year 1 - Tuesday and Wednesday

Year 2 - Thursday and Wednesday

Year 3 - Monday and Thursday

Year 4 - Tuesday and Thursday

Year 5 - Monday and Tuesday

Year 6 - Monday and Thursday

### **Diary Competition**

As part of our school's ongoing focus on nurturing writing skills and fostering creativity, we're excited to announce a holiday diary writing competition for our students. Encouraging our children to document their holiday experiences through writing not only enhances their literacy skills but also allows them to relive and reflect upon their adventures. This competition serves as a fantastic opportunity for them to practice descriptive writing, improve their storytelling abilities, and develop a habit of journaling.

To make this initiative more engaging, we'll be offering prizes for exceptional entries. We believe that acknowledging their efforts and creativity will further inspire our young writers. Your involvement and support in nurturing your child's writing skills are invaluable and greatly appreciated. The deadline for entries will be Monday 8<sup>th</sup> January.

Thank you once again for your continuous support and partnership. Together, we're shaping a future where our children thrive academically, emotionally, and socially.

Have a wonderful break.

Warm regards,

**Mrs S Phillips**

Acting Headteacher
