BOOK REVIEW

RAVIS ROAR by Tom Percival

Characters: Ravi, dad, Kiran, Jaya, Anil and Biscuits the dog.

Plot: One day Ravi gets so cross that he lets out the tiger inside of him. This makes his family upset. When he said sorry he was a boy again and enjoy himself. I found it funny when Biscuits tramped on the train and made a bad smell!

I think this book teaches you to remember that how you act can affect other people.

I would recommend this book as it has really nice pictures.
