

George's marvellous medicine

"Will she go pop? will she explode?"
"Will she go flying down the road?"
"Will she go poof in a puff of smoke?"
"Start puzzling like a can of coke?"

George lives on a farm with his parents and Grandma so when his parents are busy Grandma will baby sit. George makes an odd medicine. Instead of getting her medicine:

He gets weird watery liams and powders and dumps them in the pot! Then his revenge starts, his Grandma takes the medicine and... poof! Something amazing happened. He was shocked!!!

I enjoyed this book because I liked knowing what he was going to add into the pot. I have read this one and enjoyed it I am going to read more Roald Dahl books.

I also liked how he added in powder and paint. I found this book very funny!

If you like funny books with lots of surprises then this is the book for you.
