

The blurb:

Welcome to the Isle of Mulch...

This little island is home to a large number of horrible grown-ups.

The school, the local park, the toy shop and even the islands ice-cream van are all run by awful adults who like nothing more than making children miserable.

And, the island is owned by the most awful one of all - Aunt Greta Greed!

Something needs to be done about them.

But who could be brave enough?

Meet Ned - an extraordinary boy with a special power. SLIMEPOWER!

To say Ned was an ordinary boy would be wrong. He wasn't ordinary - he was extraordinary....

Slime is an amazing book where Ned's sister's plan creates a whole new world for Ned, including beating the baddies and getting revenge for all of the children on the Isle of Mulch.

I love reading David Walliams books as they never fail to amuse me and I love the illustrations, as they help to paint a picture in my mind. Be warned, once you have picked this book up you may not be able to put it down!

When you have finished reading this, you will definitely be on the lookout for more David Walliams books.
